Dear Kimberly Juniors Board of Trustees,

I am writing today to state my daughter \_\_\_\_\_'s intention to join Kimberly Juniors for the \_\_\_\_\_ school year.

\_\_\_\_\_ is currently in \_\_\_\_ grade at \_\_\_\_\_ School. She would like to join Kimberly Juniors when she is in \_\_\_\_\_ grade at \_\_\_\_\_ High School.

\_\_\_\_\_ has been active in her school, sports, church and community events such as \_\_\_\_\_, \_\_\_\_\_ and \_\_\_\_\_. My hope is that KJs will provide her with a wide variety of learning opportunities to support her growth into a responsible young lady. She already has great interest in her community and enjoys opportunities to learn new things. I believe the KJ experience can only strengthen that further.

Thank you for considering her admittance to Kimberly Juniors! I look forward to receiving more information.

Sincerely,
